# The World Of Telenovelas

[leave a comment »](#)

Pagilas Entertainment is proud to present Pinoy Telenovelas. It is an over the top place filled with love, romance, revenge, secrets, sex, desire, greed and so much more. Before we get into Pinoy Telenovelas, here is a question.

Why are telenovelas making waves all over the world?

The formula is very simple. It's always about a couple wanting to kiss and a scriptwriter standing in their way for several episodes. Telenovelas are steamy and sizzling.

The first Latin telenovela in the Philippines was LA TRAIIDORA. It was aired on RPN 9 several years ago. The story was very suspenseful but it seems that only few people cared so much about the show.

However, when Thalia brought Marimar to the Philippines, courtesy of RPN 9, everything changed.

Suddenly, it was everywhere and Thalia became sensational. That same year, 1996, many fans of Marimar wanted the Mexican superstar Thalia to visit the Philippines. The following year, the super sexy Mexican superstar had her second visit. It was Maria La Del Barrio then. Indeed, it was a phenomenon that it made history.

After that, other tv stations like GMA 7 and ABS CBN decided to import Latin telenovelas.

Nevertheless, Thalia, the queen of telenovelas, will always have a special place in all her Filipino fans' heart. The last telenovela of Thalia was ROSALINDA. Despite of her absence now on the small screen, her legacy lives on.

After some years, Latin telenovelas began to fade regarding with mass appeal. This was due to its excessive torrid kissing scenes and nudity. Then, Filipinos gradually lost interest until Taiwanese, Korean and Japanese drama series came in.

These days, there are still telenovelas broadcasted on Philippine television. But it wasn't as hot as before. Korean drama and J-DORAMA (Japanese tv series) dominate the boobtube.

This year, Pagilas Studio gives you PINOY TELENNOVELAS. It's the very first production in the Philippines that will introduce real Filipino telenovelas. Pinoy Telenovelas Studio guarantees us all that we will have our major satisfaction when we watch these telenovelas. It is full of love and passion. The whole world will fall in love and discover great love stories in the Philippines many of us Filipinos have been missing for a long, long, long time.

Aside from that, Pinoy Telenovelas will open high paying jobs to Filipinos here in the Philippines and gradually, Filipinos abroad.

We are now inviting you to subscribe and enjoy pure entertainment.

Subscription is free. You subscribe and you receive a free montly magazine by Pinoy Telenovelas and that's it.

Pinoy Telenovelas will be podcasted on internet tv and then, it will be broadcasted on national television on NBN 4. So stay stuck and we promise, you will love Pinoy Telenovelas.

The very first Pinoy Telenovela is entitled **CHRISTINA**. It is a very mysterious love story.

The beginning of a new era. Let us all unfold these wonderful love stories in the Philippines.

Official Poster

Kasambahay is a horror movie that would leave you... ooops, it won't leave you. It's going to stay in your nightmares while giving you the creeps.

It's the best horror movie of the year.

Yes, it's an independent digital movie but Julius Roden is proud to introduce a new scare technique to our horror genre.

Haven't you had just enough of Sadako's clones? Basically, they're all the same. It's about a scared girl and a scary ghost.

The 25-year-old director would like to dedicate this movie to all the fans of Peque Gallaga. It's Julius Roden's tribute to old school Pinoy horror movies.

"Hindi nanggugulat ang mga eksena dito. Kikilabutan kayo at tatayo ang inyong mga balahibo." Julius Roden reveals.

Yes, that's right. It's old school Pinoy horror movies.

"Basta panoorin ninyo po at mag-eeenjoy po kayo. Isama ninyo ang inyong mga tropa. Puwede rin itong DATE MOVIE. However, if you have a weak heart, please don't watch this movie!!! Nakikiusap lang po kami, baka atakihin po kayo sa puso. Hindi kasi po siya nanggugulat. It's creepy and bizarre. Kaya kung mahina po ang inyong puso, kalimutan ninyo na lamang po ang plano ninyong panoorin ang pelikulang ito." Julius Roden warns the audience.

Aside from that, Dominador "Oscar" Barbin is the editing supervisor of KASAMBAHAY. He is also known as "Kuya Oscar". For 15 years, Kuya Oscar had worked as an editor in ABS-CBN. Moreover, he owns a editing studio here in Quezon City and in Makati City.

Why must we see this film? Well, the answer is simple. It's a popcorn horror flick that would make you scream and bring the creeps out of you. So, if you love movies the old school way, don't miss this.
